Graham Russell, DW and CRT walked the canal. Hedges in quite good shape. Bridge 11-15 taken over by SUMBA. Possibility of a bench and barbeque at the vista point.

Litter pick on 14 March 2015 (all litter bins between 14-15). Painting required on posts i.e. 24 hour mooring.

LB and KB met with Graham Russell, Rebecca Furber and Geoff (Aqueduct) re the Minsh Trail. Rebecca is an artist. Suggestion of a 'QR' barcode to go on mobile phones which would give you historical information etc. on the trail. This would be a large project that would require funding. Footpaths need to be improved. Sub groups a possibility. There has been a road sweeper through the village removing leaves from both pavement and road areas.
