Borough Cllr Becky Posnett provided an update on matters at Cheshire East Council. It was noted that the green waste bin collection charge of £56 per year would be implemented in 2024. Cheshire East Council was undertaking an estates rationalisation exercise, aimed at reducing the number of Council owned buildings across the area.

A number of road repairs in Church Minshull had been completed including the jetting works. However, concern was once again expressed at the speed of vehicles and damage to roads caused by HGVs and the volume of traffic generally. It was suggested that most canal bridges had weight restrictions except for those in Church Minshull. Borough Cllr Posnett suggested that the Parish Council should contact the Police and Crime Commissioner and Canals and River Trust to discuss these issues further.
