

Church Minshull Youth Club Newsletter No 16

27th November 2013

Hello and welcome to our latest Newsletter.

Winter and Spring Programme

Please see the programme which accompanies this letter, we've tried to incorporate all ideas which were put forward at our last meeting

The 'Minch' Character

The winning design from a youth club member has had their design now professionally mastered by the village vision group and here it is. Brilliant!

The Minch features on the new village website and will have its first formal use to mark a village trail next year. To see all the finalists and who won visit the website!

Subs

As a result of us having to reduce our numbers down to 20 earlier in the year due to the lack of leaders, we are not covering our costs, so with immediate effect at our next meeting on 12th December, subs will be increased to £2

New Vicar

We are having a new vicar; the Reverend Anne Lawson is joining us in March next year! Anne is fully aware of our youth club and is keen on helping moving it forward helping and recruiting more leaders.

Next meeting 12th December; Christmas Party and 'Carol's Around the Tree'.

Carols Around the Tree is an annual event with the Co-op Brass Band and is a great informal evening for all the family. It starts at 7.00pm and lasts until around 8.30, so roughly the same time as the youth club is, so all welcome to attend. The youth club will have our Christmas party first in the village hall and then will join in with singing from approx 7.50-8.30 where we will finish.

Family Coach Trip to the Natural History Museum, London and Sightseeing Tour

We are looking at planning the above trip to take place on a Saturday in late Feb/March... more details soon
The museum is free to get in, so it will only be the cost of the coach.

Kind Regards,

The Leaders; Tim, Jane, and Helen,
