

Community Agents

Do you live in a rural area of Cheshire East?

Would you benefit from free, confidential support, advice and information about local services?

Do you feel isolated and would like to attend social activities and meet new people?

Not sure who to turn to?

Then a community agent could help you.

Supporting Our Rural Communities

Community Agents are able to provide information and one-to-one support with:

Housing issues including information about home adaptations, repairs and improvements. Having smoke alarms fitted, home security issues, the need to move house and dealing with the local authority.

Health, care and transport needs such as finding and utilising health services, advice and support for carers, arranging home help and helping with transport issues.

Leisure and Social activities. They can also make you aware of any leisure and social activities which take place in your local community.

Money matters including consumer advice and how to reduce your fuel bills. Advice on tax, benefits, pensions, debts, savings and checking how new government guidelines affect you and your loved ones.

Completing forms including help applying for benefits or any other paperwork you may be struggling with. We can also help you learn how to use computers and gain access to the internet.
