Dear Mrs Davies

I have recently heard of the success of the C M Vision Group in once again being awarded a grant through the Big Lottery Fund. Many congratulations! I trust that your Minshull Madness event in July was great fun for all who attended.

I am always delighted to hear of the real difference that passionate and committed charities and groups, like yourselves, make to the people of Eddisbury. I am thrilled that the Big Lottery Fund again recognised your efforts in helping the small community of Church Minshull to flourish.

Yours sincerely,

Stephen O'Brien
