

2018 Competition - Make a Model/Display

To tie in with the theme of Minshull Madness, this year's August competition is to make a model/display based on characters, scenes or objects in "Alice in Wonderland".

You can construct any sort of model/display, large or small, that can stand at the front of your house, in the window or in the garden, during the last week of August. It can be made out of any type of material, including new or recycled items, flowers and plants.

There are two age groups:

- Under 16
- 16 and over

Rules:

- All models must be on display within the Church Minshull Parish Boundary. (Children can construct a display either at their own home or at the home of a grandparent or other relative.)
- Models/displays must be on your own property and clearly visible from the footpath, drive or road at the front of your house.
- Judging will take place on Thursday 30th August (just before Minshull Madness)
- The winners (1st, 2nd and 3rd) will be announced before the races on the day of Minshull Madness, Saturday 1st September.
- Please tell Lesley (522952) that you are entering the competition so that she can plan the judging.
- Photos of the models/displays will be on Arena website after Minshull Madness.

Last year we enjoyed the sunflowers that brightened up the village.

This year's competition will be even more eye-catching!
